

Language Door's New Kids Reading Program

We are offering new Kids Courses geared toward improving your child's reading and comprehension abilities! Classes are designed to increase children's reading fluency and confidence through a fun and engaging curriculum. Youngsters will gain a love of reading and acquire the ability to express themselves through interactive exercises. Students will be introduced to the exciting world of literature and get an early start on their path as lifelong readers.

Program curriculum includes:

- Expertly selected children Easy Reader books
- Exercises such as instructor pre and standby readings
- Word break down and analyzing exercises
- Independent reading strategies and practice
- Class discussions and question-answer games
- Parent recommended reading lists
- Parent and child homework assignments

Classes will meet either once or twice per week for 1 hour sessions over an 8 week period. The tuition for the weekly course is set at a low rate of \$150.00 per student, and the price for the biweekly classes is as low as \$280.00.

This course will provide your child with individual attention and customized tools to gain an appropriate level of reading fluency. **This course will be a stepping stone to your child's future academic success!**
